# Kwik-Can Covers™

**33 Gallon  
Kwik-Can Cover**

The Kwik-Can Cover is a simple and inexpensive new way to cover 33 or 55 gallon barrels. Most metal and plastic barrels quickly become dented, rusty or dirty making them an eye-sore after just a short period of time. Continuous maintenance is time-consuming and

costly. The Kwik-Can Cover is a plastic sleeve that you slide down over the can and leaves you with a clean, pleated look.

**Perfect for covering water barrels used for weighting tents!**

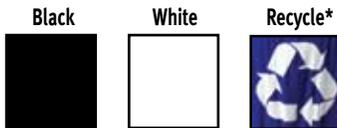

**55 Gallon  
Kwik-Can Covers**

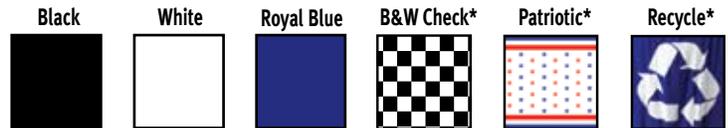

## KWIK-CAN COVERS (in bulk)

| SIZES | COVERS 33 GALLON BARREL | COVERS 55 GALLON BARREL |
|-------|-------------------------|-------------------------|

**Minimum order 50 covers per case. Please specify size when ordering.**

Available in Black, White or Recycle only

\*Black & White Check, Patriotic and Recycle additional .50 cents each

# Kwik-Expo Covers™

**No Staple  
Guns Needed!**

Now there's an innovative new way to cover and skirt your trade show tables. Simply unroll and stretch our Expo-Cover onto the table. Then just stick the skirt to the edge of the Expo-Cover which comes with hook style, (Velcro-like) fasteners already attached. Best of all...no more stapling or pulling staples from tables or skirts ever again!

**Saves time!  
No stapling covers or skirts!**

**Meets California  
Fire Marshall Title  
19 Flame Retardant  
Standards!**

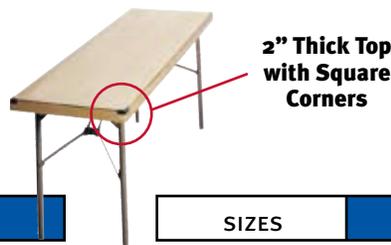

**No release paper to peel  
off and throw away.**

## BULK KWIK-EXPO COVERS with Velcro-like fasteners

| SIZES | 2'x4' | 2'x6' | 2'x8' | SIZES | 6'x30" | 8'x30" |
|-------|-------|-------|-------|-------|--------|--------|
|-------|-------|-------|-------|-------|--------|--------|

**Minimum order: 50 covers per case (includes 5 rolls with 10 covers per roll)**

**2" Thick Top  
with Square  
Corners**

Our Expo-Covers are rolled (not folded) to eliminate crease marks. They are hot-stamped and color coded to identify the size and the number of covers remaining on the roll. All Expo-Covers are available in white only and fit trade show style tables which are approximately 2" thick with square corners (shown above). All Expo-Covers have Hook style (Velcro-like) fasteners and can be used with any plastic or cloth skirting that has loop style (Velcro-like) fasteners.
