

EXCLUSIVE!

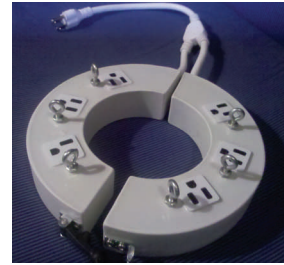

POWER BLOCK

CIRCULAR POWER STRIP FOR TENT POLES

Designed specifically to give your electrical installation a professional high quality look. The Quick-Latch mounting system allows for a simple, clutter free, time and labor saving installation. No tools are required. The grounded AC outlets and molded PVC power cord insure safety. The Power Block is made with high quality parts and extremely durable urethane plastic. This quality will insure an extended product life, and a high return on investment.

The Power Block now comes with embedded eye rings that can be used to easily hang string lights, lighting cables or other devices.

SPECIFICATIONS:

- Easily mounted without tools using Quick-Latch system
- Eye rings for attaching string lights, mounting cables, etc.
- Mount facing up or down
- AC grounded outlets
